

DRY STACK LEDGE

So elegant, you'll forget all about grout

Ledge-style pieces designed to fit tightly together for a seamless appearance. The absence of mortar joints creates a natural, organic look that highlights the texture and character of the stone.

INSTALLATION

Sunset Stone products are proudly certified by the Concrete Masonry & Hardscapes Association (CMHA). For complete installation details, please refer to the **CMHA Installation Guide**. Installation steps may vary based on the veneer type and application. Be sure to review local building codes and consult a professional for project-specific requirements. For additional guidance, contact your Sunset Stone sales representative.
