

# LIMESTONE

You'll swear it was cut, *not cast*

Classic symmetry with a quarried cut, Limestone works as beautifully in contemporary spaces as it does in old-world designs. Featuring precise grout lines and refined proportions, it brings clean dimensional character to any project.

## INSTALLATION

Sunset Stone products are proudly certified by the Concrete Masonry & Hardscapes Association (CMHA). For complete installation details, please refer to the **CMHA Installation Guide**. Installation steps may vary based on the veneer type and application. Be sure to review local building codes and consult a professional for project-specific requirements. For additional guidance, contact your Sunset Stone sales representative.
