

WESTERN LEDGE

Every angle is just *right.*

A mix of slender and thick, rectangular and square, with clean edges and a uniform face depth, Western Ledge delivers a tailored, modern flair while maintaining the natural character of stone.

INSTALLATION

Sunset Stone products are proudly certified by the Concrete Masonry & Hardscapes Association (CMHA). For complete installation details, please refer to the **CMHA Installation Guide**. Installation steps may vary based on the veneer type and application. Be sure to review local building codes and consult a professional for project-specific requirements. For additional guidance, contact your Sunset Stone sales representative.
